WALKERTOWN, NC 27055

MS. PIPER HENDRIX, PRINCIPAL

(336) 703-4154

Monday, October 20, 2014

Dear Parents,

Mrs. Reyes is offering all students optional after-school tutoring. These tutoring sessions will be held Tuesday from 2:00-3:45.

I encourage all students who may be struggling in Math to attend. It is highly recommend that those students with a PEP/IEP or those who have been absent to make after-school tutoring a priority. These relaxed sessions will provide students an opportunity to get the individual assistance needed to make their 8th grade year a success.

Tutoring Schedule:

2:05-2:40 Instruction

2:40-3:35 Homework

Interested students need to have transportation arranged at WMS *promptly* at 3:45 or be riding the activity bus. Proper behavior is expected at all times, and any inappropriate conduct will prohibit a student from attending after school.

Additionally, students need to have a permission slip (below) on file to attend tutoring.

Should you have any questions, please call WMS and ask to speak with me or email me at vdreyes@wsfcs.k12.nc.us. (Please review the tutoring guidelines on the back of this page.)

As always, parents, thank you for supporting your son's or daughter's education.

Sincerely,

Mrs. Reyes
Walkertown Middle School
